**Textbook:** Thomas' Calculus 13<sup>th</sup> Ed., Thomas/Weir/Hass ISBN-13: 978-0321878960 ISBN-10: 0321878965

**Description:** Topics include introduction of differential and integral calculus and their applications in science and engineering.

**Homework:** Homework will be assigned daily but not collected. The problems assigned are practice problems in understanding the material covered for the day. It has been known that a genuine understanding and completion of the homework will result in quality performance.

Homework assignment will be posted on my website.

**Exams:** There will be four exams and a final. Each exam is worth 100 points. The final is worth 200 points and it's cumulative. You must show all necessary work to receive full credit. There will be **NO MAKE-UP exam** given.

**Quiz/in-class work:** There will be quizzes and/or in-class work assignments during class. If you arrive 5 minutes after the quiz has started, you will NOT be allowed to take the quiz. There will be **NO MAKE-UP** quiz and/or **no in-class work** assignments will be given.

**Calculators:** Using a calculator is NOT permitted.

**Academic Conduct:** You are expected to abide by Los Angeles Harbor College's code of academic conduct on all exams, quizzes and homework. Copying homework solutions or quiz or test answers from someone is considered cheating as is altering a quiz or examination after it has been graded or giving answers to someone during an exam or quiz. If caught cheating or using an electric device during an exam or a quiz, the parties involved will receive a zero on the exam and quiz, and an academic dishonesty report will be filed. Note that cell phone is to be turned off for the duration of each class.

**Attendance Policy: Attendance is mandatory.** If you miss class more than **THREE** times starting after the 1<sup>st</sup> day of class, or excessively late without any documentation, or disturb the class, you will be automatically DROPPED from the course.

**Withdrawal:** Refer to the school's web page, [www.smc.edu](http://www.smc.edu), for withdrawal dates. IT IS THE STUDENT'S RESPONSIBILITY TO BE AWARE OF WITHDRAWAL DATES AND TAKE THE APPROPRIATE NECESSARY STEPS

**Electric Devices:** **DO NOT PUT ANY ELECTRIC DEVICE (except non graphing calculator) ON YOUR DESK.**

You will receive no credit for using/texting a cell phone during class and will be asked to leave. NO EXCEPTIONS!!!
